Sub: Feedback on Uses of Dalmia Magic Premium Skim Coat in our project.

We have started using Dalmia Magic Premium Skim Coat in our Project {SRI HEMA DIAMOND APARTMENT, Near TTD Kalayana, Mandapam, Venkatagiri.} on cement sand plaster , applied as per stated practice and found out that this product gives more coverage per Kilogram of product applied with very good adhesion to wall with a clear savings to our Large Project substantially.

It also gives good finish and smooth structure to wall base with an uniform shade.

We are happy to see DALMIA MAGIC Team training our Applicator and painters in SITE TRAINING EXCELLENCE PROGRAMME on how to use effectively with all technical terms covered.

Picture of the project building.
