TO WHOMSOEVER IT MAY CONCERN

It is hereby certified that the cement "Dalmia Infra Green Cement" is being used in our Minor Culvert Project in sampling and it is found satisfactory and good in performance characteristics.

The cement is utilized for M-30 design mix concrete and required strength (M30) obtained in 3 days test of cubes with conventional cement content.

This certificate is being issued at the specific request of our registered contractor "Sri Radha Constructions"
